Mrs. A. Marley
Newark N.J.

Dear Mrs. Marley, - I have been very sick.
I received your letter. It was a fine letter.
However, I will not sign any resolutions
which acknowledge our present Presidents as
Presidents, as long as they are club owners.
Jackson and I have made commitments to
the Negro Press and to white Major League
club owners that we mean to fulfill
if possible.

We were asked to get Presidents who were not
owners of clubs before we attempted to have a
meeting with the Commissioner by Mr. Griffith
and others. Ricky will make a fool out

of those who attend these meetings unless they
go in with clean shirts.

Do you realize we have not made one
single change for the better since Roger
base ball was called a "racket".

I casually mentioned to Mr Griffith that it
appeared as though we would get Commissioner
Battles for President of our League.

He was tickled to death, and said now you
have shut Perkins' mouth.

It is just pure selfishness by Dr Martin,
Griffith that keeps us in the our present
position.

I am tired of catching hell for perpetuate
unworthy office holders

Yours
Carm Bosny
